

Part-Time Property Maintenance Technician

Job Posting

Position Summary

From homelessness to coming home, Pillars provides shelter, support, and solutions to address the housing needs in our community. The Property Maintenance Technician owns all aspects of property care and is responsible for ensuring all tenants have a well-maintained home so each person within the Pillars environment can live with dignity and respect. This Part-Time (20 hours per week) nonexempt position reports to the Pillars Stable Housing Director.

Essential Duties and Responsibilities

- Has passion for the mission of Pillars and displays agency values: Respect, Collaboration, Empowerment and Grit.
- Performs general maintenance for unit upkeep on Pillars buildings and rental units, including, but not limited to: drywall repair, carpentry, minor HVAC, plumbing, and electrical repairs. Arranges scheduled preventive maintenance and cleaning.
- Completes annual inspections on each unit.
- Prepares vacant rental units for move-in: painting, cleaning and carpet cleaning.
- Manages and maintains strong sub-contractor network to ensure contracted work is done effectively, on-time and on budget. Completes inspections and maintains inspection logs and records.
- Responds to infrequent emergencies, such as bursting pipes or electrical issues, so tenants are able to live in safe housing.
- Prepares work sites for maintenance and rehab projects, including gathering materials and tools required to complete projects as scheduled, and coordinating with volunteers.
- Shares emergency on-call responsibility with other members of the Stable Housing team on a rotating basis, requiring availability to travel to affected units at any hour while on call.
- Other duties as assigned.

Qualifications

- High School diploma or equivalent required
- Two years' experience in maintenance is strongly preferred
- Basic maintenance skills required (general housing repair)
- Expert knowledge is preferred (electrical, plumbing, drywall, etc.)
- Ability to travel locally, with access to a reliable vehicle and possess a valid Wisconsin driver's license and automobile license. A clean driving record is required to meet the organization's insurance requirements for driving Pillars' work trucks and other vehicles.

Work Environment

The Property Maintenance Technician is expected to work inclusively and respectfully within a diverse community and practice civility in the workplace. In addition, this position requires oral, written, interpersonal, and organizational skills, demonstrated integrity, and the willingness to work independently and as part of a collaborative team. The employee must occasionally lift and/or move up to 50 pounds, and frequently travel to any of the Pillars properties located throughout Appleton,

Neenah and Menasha. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Current COVID-19 Protocol

The health and safety of Pillars clients and team members is a top priority. Masks are required to be worn by all team members in common areas. We provide PPE to all team members. Protocol is continually updated based on the current guidance and best practice recommendations from the WI Department of Health, Outagamie Health Department and the Centers for Disease Control and Prevention (CDC).

Compensation:

The compensation for this Part-Time position is \$15.56/hr.
