The system will automatically report hours for you. For example, if you are signed up for this shift – the system will report 2 hours. If you are a group, it will automatically multiply 2 hours x 5 members. If you are an individual, it will report 2 hours. If you have more than 5 members in your group, you can self-report those extra hours.

YOU ONLY HAVE TO REPORT HOURS IF YOU EXCEED THE SHIFT LENGTH. If you worked 3 hours for this shift, please report 1 hour (multiplied by # of members in your group).

*Dinner Provider shifts are scheduled for 30 minutes. For groups, this will report .5hours x 5 members = 2.5 hours. Please only report hours if you exceed 2.5 hours for dinner providing.
